## A high-quality, polished chrome kitchen faucet. It features a sleek, modern design with a high-arc spout that curves gracefully to the left. The faucet is mounted on a cylindrical base, and a single-lever handle is positioned on the right side for easy operation. The entire fixture is finished with a mirror-polished chrome that reflects light, giving it a sophisticated and clean appearance.

Technical drawing of the L200mm gas burner assembly. The drawing shows a side view of the burner with various dimensions and labels. Key dimensions include a total width of 238, a distance of 100 from the left edge to the start of the burner body, and a total height of 255. The burner body has a diameter of  $\phi 28$  and a length of 150. The base has a diameter of  $\phi 45$  and a height of 70. The base is mounted on a support with a diameter of  $\phi 33,5$  and a height of 5. The base is connected to a gas line with a diameter of  $G3/8"$  and a length of  $L200mm$ . The gas line is labeled M15x1 (1500mm). The base is also labeled max. 40 and min.  $\phi 33,5$  max.  $\phi 39$ . The burner is shown with a 360° rotation arrow.
